Preface

A School Management System (SMS) is a comprehensive software solution designed to streamline the administration and management of educational institutions. It typically includes modules that cover various aspects of school operations, from student enrollment to grade tracking. Here are some key features and modules commonly found in a School Management System:

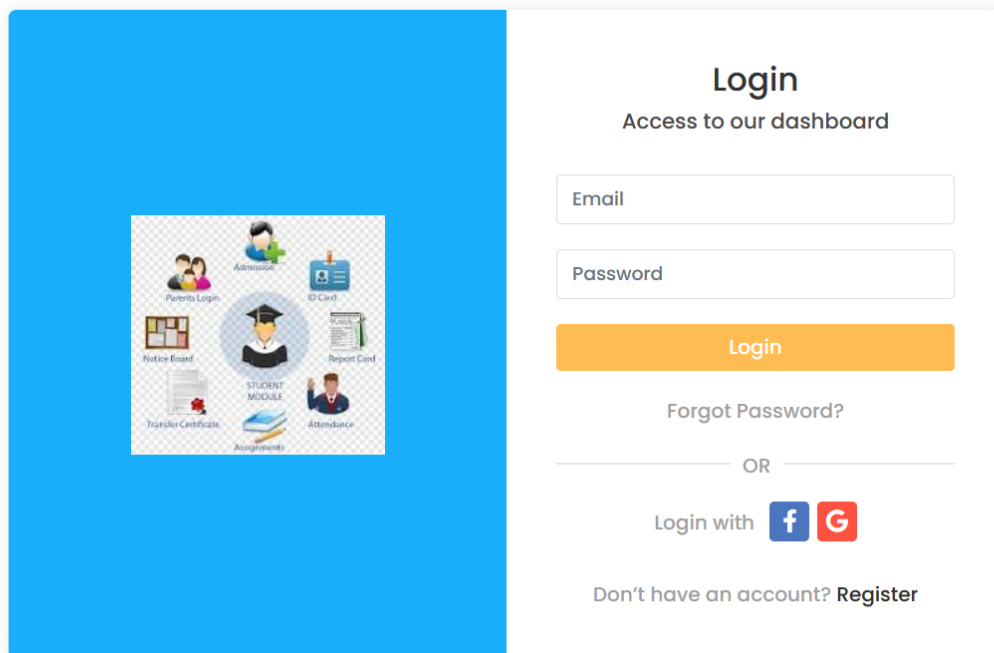

1. **Student Information System (SIS):**
 - Student enrollment and registration
 - Student profiles with personal and academic details
2. **Teacher Information System:**
 - Teacher profiles with personal and professional details
 - Assignment of subjects and classes
 - Attendance tracking for teachers
3. **Classroom Management:**
 - Timetable creation and management
 - Class schedules and allocations
 - Exam and grading management
4. **Attendance Tracking:**
 - Announcements and notifications
 - Messaging and alerts
5. **Grading and Assessment:**
 - Exam creation and scheduling
 - Grade book for tracking student performance
 - Report card generation
6. **Library Management:**
 - Book cataloging and tracking
 - Issuing and returning books
 - Overdue book notifications
7. **Finance and Accounting:**
 - Fee collection and management
8. **Human Resources:**
 - Staff profiles and records
 - Attendance tracking for staff

A well-designed School Management System helps improve efficiency, reduce paperwork, enhance communication, and provide accurate and timely information to administrators, teachers, parents, and students. When implementing an SMS, it's crucial to consider the specific needs and requirements of the educational institution

In this below list all the available student are available as it's an admin login

The screenshot displays the 'Students' page of an admin dashboard. On the left is a sidebar menu with options: Admin Menu, Admin Dashboard, Students, Staff, Student Attendance, Student Routine, Student Result, Notice Board, and Fee. The main content area is titled 'Students' and includes a 'Student Search' section with a text input and a 'Select Gender' dropdown. Below this is a table of students with columns: Name, Email, Roll, Gender, Class, Section, Faculty, and Action. The table contains 8 entries. At the bottom, there is a pagination control showing 'Showing 1 to 8 of 8 entries' and 'Previous 1 Next'.

| Name | Email | Roll | Gender | Class | Section | Faculty | Action |
|----------------|------------------|------|--------|-------|---------|----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Afzal Islam | afzal@test.com | 25 | Male | ONE | D | Asif Ahmed |   |
| Ashraf Uddin | ashraf@test.com | 35 | Male | ONE | C | Rajib Jony |   |
| Iqbal Mahmood | iqbal@test.com | 52 | Male | Eight | D | Wajed Hosssain |   |
| Kamrul Hassan | kamrul@test.com | 54 | Male | FIVE | A | Wajed Hosssain |   |
| Maryam Islam | maryam@test.com | 012 | Female | ONE | D | Asif Ahmed |   |
| Mita Chowdhory | mita@test.com | 65 | Female | Eight | D | Wajed Hosssain |   |
| Saiyem Mehdi | sabuj@test.com | 35 | Male | TWO | B | Rasel Habib |   |
| Tahmona Islam | tahmona@test.com | 6 | Female | ONE | D | Asif Ahmed |   |

View Staff

In this below list all the available staff are available as it's an admin login

The screenshot shows an admin dashboard with a sidebar menu on the left containing: Admin Menu, Admin Dashboard, Students, Staff, Student Attendance, Student Routine, Student Result, Notice Board, and Fee. The main content area is titled 'Staff' and includes a 'Dashboard / Staffs' breadcrumb. There are 'Download' and '+' buttons in the top right. Below the title is a 'Student Search' section with two dropdown menus: 'Select Class' and 'Select Gender', and a 'Search' button. The main table displays a list of staff members with columns: ID, Name, Email, Gender, Address, Created_at, and Action. The table shows 7 entries. At the bottom, it says 'Showing 1 to 7 of 7 entries' and has 'Previous', '1', and 'Next' pagination links.

| ID | Name | Email | Gender | Address | Created_at | Action |
